**CLAIMS RELATED TO DESIGN 1461-43**

15. Prior to the conduct complained of herein, Plaintiff composed an original two-dimensional artwork for purposes of textile printing. Plaintiff allocated the design the name 1461-43 (hereinafter “Subject Design”).

16. The Subject Design is an original creation of Plaintiff and Plaintiff’s design team, and is, and at all relevant times, was owned exclusively by Plaintiff.

17. Plaintiff registered the Subject Design with the United States Copyright Office.

18. Prior to the acts complained of herein, Plaintiff sampled and sold fabric bearing the Subject Design to numerous parties in the fashion and apparel industries, including but not limited to SANCTUARY.

19. Following this distribution of product bearing the Subject Design, Plaintiff’s investigation revealed that certain entities within the fashion and apparel industries had misappropriated the Subject Design, and were selling fabric and garments bearing illegal reproductions and derivations of the Subject Design.

20. Plaintiff is informed and believes and thereon alleges that, without Plaintiff’s authorization, SANCTUARY and certain DOE Defendants created, sold, manufactured, caused to be manufactured, and distributed garments comprised of fabric featuring designs which are identical to or substantially similar to the Subject Design (hereinafter “Infringing Garment”) to retail stores including but not limited to MACY’S, NORDSTROM, DILLARD’S, AMAZON, BLOOMINGDALE’S, and ZAPPOS, who then sold said garments to the public.

21. A comparison of the Subject Design and the Infringing Garment is set forth below; it is apparent that the elements, composition, color, arrangement, layout, and appearance of the designs are substantially similar.

**FIRST CLAIM FOR RELIEF**

(For Copyright Infringement – Against All Defendants, and Each)

22. Plaintiff repeats, realleges, and incorporates herein by reference as though fully set forth, the allegations contained in the preceding paragraphs of this Complaint.

23. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them, had access to the Subject Design, including, without limitation, through (a) access to Plaintiff's showroom and/or design library; (b) access to illegally distributed copies of the Subject Design by third-party vendors and/or DOE Defendants, including without limitation international and/or overseas converters and printing mills; (c) access to Plaintiff's strike-offs and samples, and (d) garments manufactured and sold to the public bearing fabric lawfully printed with the Subject Design by Plaintiff for its customers.

24. Plaintiff is informed and believes and thereon alleges that one or more of the Defendants manufactures garments and/or is a garment vendor. Plaintiff is further informed and believes and thereon alleges that said Defendant(s) has an ongoing business relationship with Defendant retailers, and each of them, and supplied garments to said retailers, which garments infringed the Subject Design in that said garments were composed of fabric which featured unauthorized print design(s) that were identical or substantially similar to the Subject Design, or were an illegal derivation or modification thereof.

25. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them, infringed Plaintiff's copyrights by creating, making, and/or developing directly infringing and/or derivative works from the Subject Design and by producing, distributing and/or selling garments which infringe the Subject Design through a nationwide network of retail stores, catalogues, and through on-line websites.

1           26. Due to Defendants' acts of infringement, Plaintiff has suffered substantial  
2 damages to its business in an amount to be established at trial.

4 special damages in an amount to be established at trial.

9 indirectly attributable to Defendant's infringement of the Subject Design in an  
10 amount to be established at trial.

11           29. Plaintiff is informed and believes and thereon alleges that Defendants, and  
12 each of them, have committed acts of copyright infringement, as alleged above,  
13 which were willful, intentional and malicious, which further subjects Defendants,  
14 and each of them, to liability for statutory damages under Section 504(c)(2) of the  
15 Copyright Act in the sum of up to one hundred fifty thousand dollars (\$150,000.00)

26 reproduction and/or subsequent sales of garments featuring the Subject Design as  
27 alleged herein.

32. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them, are vicariously liable for the infringement alleged herein because they had the right and ability to supervise the infringing conduct and because they had a direct financial interest in the infringing conduct.

35. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them, have committed acts of copyright infringement, as alleged above, which were willful, intentional and malicious, which further subjects Defendants, and each of them, to liability for statutory damages under Section 504(c)(2) of the Copyright Act in the sum of up to one hundred fifty thousand dollars (\$150,000.00) per infringement. Within the time permitted by law, Plaintiff will make its election between actual damages and statutory damages.
